CHIEF EXECUTIVE OFFICER
Roy Leitstein, MS

Legacy Treatment Services, is a vibrant multi-state 501c3 nonprofit human service agency with services throughout New Jersey and now in Pennsylvania. We are dedicated to providing a comprehensive array of behavioral health, mental health, intellectual/developmental and addiction services to meet challenges for individuals of all ages. We utilize cutting-edge technology and evidence-based practices in treatment and clinical care that ensure our continuum of integrated care meet individuals and families at their specific points of need.

Legacy's mission of supporting individuals from surviving to thriving is the cornerstone for providing state-of-the-art services and best practices in multiple levels of care. This continuum of care provides continuity and stability in our wide range of expert services. Since we respond to children, youth and adults who have a variety of complex needs, we ensure that our multidisciplinary staff is well-trained and mission driven. Our programs are individualized, strength-based and trauma-informed.

We look forward to partnering with you on your path to wellness.

ABOUT US

OUR CONTINUUM OF CARE

OUTPATIENT MENTAL HEALTH SERVICES

Legacy Treatment Services offers outpatient mental health services for those who could benefit from improvements in mental and behavioral health. Our outpatient program offers a comprehensive approach to mental illness that can be personalized for you or a loved one who needs treatment.

COMMUNITY TREATMENT SOLUTIONS (CTS)

CTS specializes in working with youth who are at risk for out of community placement. It is strengths-based and provides multi-disciplinary and multidimensional individualized interventions for youth who present with complex issues.

CRISIS INTERVENTION

Legacy provides compassionate and responsive crisis intervention services in multiple locations for children, families and adults. Our crisis programs provide assessment and triage to determine how to best meet consumer needs. In N.J., Legacy provides Children's Mobile Response and Stabilization and the Screening and Crisis Intervention Program in Burlington County.

OUTPATIENT ADDICTION TREATMENT SERVICES

Our outpatient and intensive outpatient addiction treatment services can help you or your loved one safely recover from addiction to alcohol, opioids, illegal drugs, and multiple substances. We also offer addiction therapy services for those with co-occurring disorders.

DEVELOPMENTAL & INTELLECTUAL DISABILITY SERVICES

Legacy offers personalized services for children, youth and adults who have developmental and intellectual disabilities helping them to lead productive, fulfilling lives.

OUT-OF-HOME CARE FOR CHILDREN AND YOUTH

Legacy offers out-of-home care in a variety of settings throughout N.J., with a goal of reunification whenever possible as well as learning new coping and life skills. These programs include therapeutic foster care and residential programs and provide trauma-informed treatment, case management and family interventions and education.

RESIDENTIAL HOUSING FOR ADULTS AND CHILDREN

Legacy provides housing, treatment and case management for adults with mental illness or adults with mental illness who are homeless or at risk of being homeless.

PREVENTION SERVICES

Legacy's prevention programs include education and support designed to address issues before they escalate to a crisis situation. Our prevention programs include the Family Success Center in Burlington County, parent education and reunification programs in Mercer, Burlington, Cumberland, Camden and Atlantic Counties.

EDUCATION

At Legacy, we recognize that education is an important component to every child's overall well-being. We operate a certified special education school located in Mount Holly, a school-based support program for Pemberton Township High School students and a Burlington County tutoring program for students in Kindergarten through 8th grade.

ANXIETY & DEPRESSION

Legacy provides evidence-based treatment for anxiety and depression close to home. Our highly-trained and compassionate therapists will work to address underlying issues and find the root cause of anxiety and depression.

OUTPATIENT OPIATE TREATMENT

Legacy provides the latest ambulatory care and therapy services to help those who have been affected by the opioid crisis.

OUTPATIENT ALCOHOLISM TREATMENT

Legacy Treatment Services is committed to helping you or your loved one identify underlying causes of alcoholism and build a plan to help someone suffering face triggers with strength and resolve.
